ABOUT ADELAIDE WR BREAKFAST

The Adelaide White Ribbon Breakfast Committee (AWRBC) was established in 2008 with the aim of raising awareness about White Ribbon and the ongoing campaign to eliminate violence against women.

The Adelaide White Ribbon Breakfast is held on, or close to November 25th each year. Attendees come from diverse sectors of the community, including government, NGOs, politics, business and sport. Information about this event can be found on our [website](#) and our [Facebook page](#).

ABOUT ADELAIDE WR NIGHT

The inaugural Adelaide White Ribbon Night was held in July 2019, where more than 180 people came together to show support for victims of men's violence against women, and to celebrate individuals and organisations in our community that are making a difference.

While the 2020 event was cancelled due to COVID-19, we are looking forward to holding our next event in 2021. We'll announce details via our [Facebook page](#) once available.

WHITE RIBBON & COMMUNICARE... A NEW CHAPTER

In 2020, White Ribbon Australia commenced a new and exciting chapter under the stewardship of Communicare, a Western Australian service provider with more than 20 years' experience in providing family and domestic violence services. Communicare is committed to assisting people to participate to their full potential by creating strong, safe and inclusive communities.

Communicare CEO Melissa Perry said "White Ribbon Australia aligns with our values and reflects our long-standing commitment to eliminating violence against women and children."

New [White Ribbon Executive Director Brad Chilcott](#) said White Ribbon would now be 'moving from awareness to advocacy'. "We're trying to equip local communities and individuals to take meaningful action to end gendered violence."

He [also said](#) "I look forward to collaborating with our partners, supporters, advocates as well as frontline services and the broader coalition of anti-violence organisations, to do the work required to bring about lasting change in eliminating violence against women."
